Input Text

✅ Do's
- Use Noto Serif consistently.
- Stick to the color palette.
- Align text and elements properly.
- Keep buttons and icons uniform in size and style.
- Use consistent spacing and corner radius.
- Choose high-quality, soft-tone images.

❌ Don'ts
- Don't mix fonts or text styles.
- Don't add new or random colors.
- Don't stretch or misalign icons/images.
- Don't crowd elements — let them breathe.
- Don't ignore hover/active states.
- Don't break visual consistency.
